

Company Profile

Unit 21, Port tunnel business park
Clonsaugh
Dublin 17

History of the Company

- Alpha Mechanical services Ltd have been in operation since 2011 , covering all aspects of work in the area of Mechanical installations including Plumbing services, Air conditioning, Ventilation and BMS systems.
- During this time Alpha Mechanical services have become specialists in planned preventative maintenance as well as Installations.
- Our success is based on the continuous commitment that Alpha Mechanical services give to all our clients by continuously updating and developing our services, and importantly, in this time of rising costs - competitive pricing structure.
- Our consistency of work quality, experienced mechanical & electrical engineers, fast reliable 24 hour call out service, and preventative maintenance have also contributed towards the success to date of Alpha Mechanical Services
- Alpha Mechanical services is committed to Health & Safety and all engineers are completely trained in this area. We also use an external company to monitor and audit our Health and safety practices

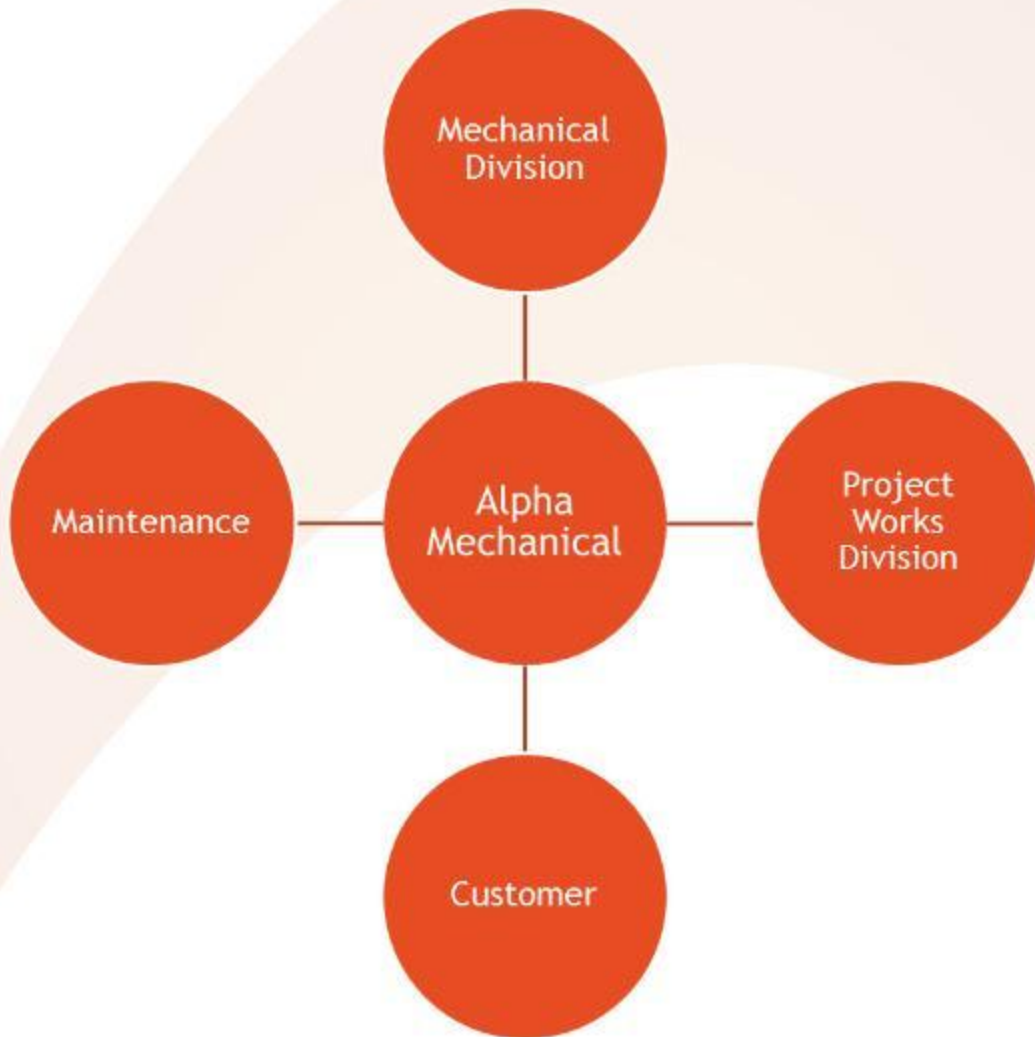

MISSION STATEMENT

- Our mission is to build our reputation for integrity, excellence, and leadership as one of the finest Engineering and contracting organization by:
- Continuously improving the standards and quality of our services;
- Constantly striving to exceed each client's expectations;
- Maintaining our dedication to the highest moral principles and;
- Providing a challenging and secure environment for our people
